++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry with clear or sunny spells, but northwest cloudier.

Today:
Coastal cloud and patchy drizzle in northwest becoming confined to Outer Hebrides through the morning. Otherwise, mainly dry and sunny, just an isolated afternoon shower possible over southern hills. Maximum temperature 22 deg C (72 deg F).

Tonight:
Low cloud likely to re-form and push inland over the north coast, west coast and Hebrides, some clear spells further south. Minimum temperature 6 deg C (43 deg F).

Tuesday:
South mainly dry, warm and sunny. However rather cloudy across the north and east, with low cloud and patchy light rain sporadically feeding in on light northerly breezes. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Wednesday and Thursday are likely to be bright and sunny days but low cloud conditions are never far away and looks to set in again later on Thursday and Friday.
